***SuperBowl Squares  
Every Score Pays!!!***

**\$5 per square**

**Payouts Each Score**

- \$20 every score  
change (including extra points)

- \$20 end of every quarter (Q1,Q2,Q3)

- **Final Score Square**  
**Receives Remainder of funds**

It has never happened but... in the event of too many scores, there is a priority of non-paying scores:

1. Last score of Q1
2. Last score of Q3
3. Last score of Half
4. Last scores of game (in order)

Note Q1, Half, Q3, and Final are **always** paid out.
